

PGNiG Supply & Trading GmbH
Head Office

Company: PGNiG Supply & Trading GmbH, UK Branch (a PGNiG Group company)
Location: London
Position: Junior Financial Controller
Travel required: Occasional Travel Required

Company Background

PGNiG Supply & Trading GmbH (PST) is 100% owned by the Polish state-owned oil and gas company Polskie Górnictwo Naftowe i Gazownictwo SA (PGNiG), which has a long-standing history in the energy industry. PGNiG has an increasing supply of LNG, both DES into the Polish LNG terminal in Świnoujście and FOB as US produced LNG.

PST is developing an international LNG trading function in order to manage and optimise PGNiG's expanding portfolio of LNG assets, including long-term FOB contracts as well as LNG delivered ex-ship, and in order to strengthen and support its commercial operations is looking for a **Junior Financial Controller** to join its team, reporting to the Financial Director in London.

Key Roles and Responsibilities:

- Development of annual and mid-term financial plans (budgets) of the company,
- Analysis and preparation of budget realisation reports & KPI analysis,
- Reporting of financial and operational reports to the group,
- Reconciliation of ICP balances in the group (incl. Oracle HFM upload),
- Assisting during the month end, quarterly and year end accounting process ensuring all group and external deadlines are met,
- Ensuring all controls and accounting standards (IFRS and UK GAAP) are met,
- Implement internal controls related to accounting and operational operations,
- Cooperate with trading, risk and operational teams during development of LNG business,
- Preparation of presentations with financial and operational results for the executive level,
- Ad-hoc evaluations and analyses.

What you bring:

- 3+ years of progressive experience in controlling, audit, and/or accounting roles,
- Bachelor's degree in business, accounting, finance or similar,
- High command of written and spoken Polish and English is a must. German language is a plus,
- LNG, oil & gas or shipping industry experience beneficial,
- Knowledge of accounting systems (XERO, DATEV) and Oracle HFM would be of additional advantage,
- Knowledge of International Financial Reporting Standard (IFRS),
- Full or partial qualification (AAT, ACA, ACCA, CIMA and CIPFA) would be of additional advantage,
- Ability to synthesize large quantities of financial data into actionable information,
- Strong attention to detail,
- Self-starter motivated to improve performance and processes as required.

We are looking forward to receiving your application. Please send your CV and cover letter to jobs@pst-energie.com by 11th August 2022.
